

GOLF AT GOODWOOD

The Downs Experience

The Downs experience gives you the chance to test your golfing pedigree on the challenge of The Downs Course. Designed in 1914 by legendary golf architect, designer of Gleneagles and Carnoustie and five times winner of the Open Championship, James Braid, the downland course consists of fast-running fairways, undulating greens and dramatic changes of elevation in the downland valleys and hills which are both a treat and a challenge to true golf fans.

We are looking forward to welcoming you to Golf At Goodwood. Tee times are available throughout the year, Monday to Sunday, subject to availability.

Please let us know which date you'd like to play (please list dates in order of preference).
