

style guide

chic style meets country estate

Whilst there is no formal dress code at Goodwoof, canines and their companions are encouraged to display their swagger and charisma through the holy trinity of personality, poise and presence in style.

Style holds no limits at Goodwoof, and you may even be spotted by one of our Chien Charmant judges who will be on the hunt for our 'best in show' dog show staple, taking place each day at 1400hrs.
