## ENGLAND

Drawing from Goodwood's rich sporting legacy, our collection embodies a fusion of tradition and modernity, mirroring the essence of the estate itself. Inspired by the ninth Duke of Richmond's timeless style, our sustainable range reflects our commitment to eco-friendly practices and enduring craftsmanship. The Goodwood Shop showcases themed collections tailored to our events: Festival of Speed, Revival, Members' Meeting, and Goodwoof, alongside offerings reflecting our estate's passions: GRRRC, Horseracing, Aviation, Golf, and Motor Circuit. Rooted in family, quality, and innovation, our attire and accessories seamlessly blend classic designs with contemporary functionality, perfect for both passion pursuits and visits to Goodwood. Embracing British style and manufacturing, we collaborate with UK artisans and suppliers, celebrating our heritage while embracing the future.

Since its inception in 1993, the Festival of Speed has rekindled Goodwood's motorsport legacy, evolving into a unique gathering of automotive excellence. Over four days, the event transforms the estate into a vibrant celebration, where enthusiasts mingle with racing legends amidst the world's most coveted cars and motorcycles. Offering unparalleled access and intimacy, the Festival delivers an immersive experience, uniting the public with automotive icons on the iconic Hillclimb track. Amidst this grand spectacle, the event remains a hallmark social affair, blending automotive glamour with seasonal festivity.
